

International Journal of Police Sciences (IJPS)

A Quarterly Scientific Periodical - Refereed and Indexed Specialized in Police Science

Subscription Information:

- International Journal of Police Sciences (IJPS) is published quarterly,
- Every Volume 4 issues.
- Publication Frequency: 1 Volume (4 Issue -Jan, Apr, Jul, Oct) per Year,
- Each One issue (4-6) Articles

IJPS is an open access, double-blind peer-reviewed (refereed) international journal for police, law enforcer, security, research professional, practitioners, and academics who aim to disseminate and exchange their scientific research, police-related research, technical notes, and other scholarly work in policing. The journal is open access forum to publish scientific research in all aspects of policing, promoting the culture of excellence and quality of police practices, initiatives and community relationships, police research and development, foundation, innovation, and creativity in policing.

The Journal is published by the International Police Science Association IPSA (www.ipsa-police.org). It publishes in English language and adopts Open Access Principle (CC BY-NC 4.0 Open Access Policy)

The journal for publications is selected through peer review to ensure originality, relevance, and readability. IJPS ensures a wide indexing policy to make published papers vastly available to the scientific committee.

Rules of publication in International Journal of Police Sciences (IJPS)

Articles are published on the authors' own responsibility, and all views expressed here are those of the authors and do not necessarily reflect those of (IJPS).

Publication Conditions:

1. (IJPS) mainly publishes scientific, field, empirical and qualitative analytical research articles in police and security sciences besides relevant articles in legal, social, anthropological, and other fields related to the comprehensive security perspective.
2. Manuscripts submitted should observe rules and principles of scientific research in terms of style, examination, and methodology.
3. Empirical field research should contain an introduction showing theoretical framework; previous studies, hypotheses, objectives, and questions of the research in addition to the significance of study, determinants, scientific terms and procedures of the study, including study's sample, tool, authenticity, method, findings, conclusions and recommendations.

International Journal of Police Sciences (IJPS)

Specialized in Police Science

A Quarterly Scientific Periodical-Refereed and Indexed

4. Footnotes should be placed at the end of each page; references at the end of the study (bibliographical list).
5. Manuscripts submitted for publication should be in English in not more than 8000 Words.
6. The author of an article should make amendments and introduce changes to his article as suggested by the referees and submit a new copy with all changes and amendments as required.
7. After being thoroughly refereed by the Editorial Board as per scientific and technical standards, articles will be published successively as per date of submission.
8. Copyright of articles transfers wholly to (IJPS), however, authors will be given one copy of the issue in which his\her article is published along with separate 15 copies of his\her article.
9. Manuscripts whether or not published, will not be returned to authors.
10. (IJPS) has the right to publish, not publish, add and omit any part of the submitted articles which conflicts with the general publication policy.

Correspondences:

1. Manuscripts should be sent in Soft copy, along with an English abstract (in one page). Abstract should embody the subject's related terminologies.
2. Manuscripts are to be sent to the email address of the (IJPS), ijps@ipsa-police.org

Documentation Style:

Whether it is a literal quotation or an elaboration of another author's idea, the author should refer to what he quotes from others.

1. Bibliographical references mentioned in each page should be referred to in the same one. Then all references should be listed in the bibliography list with Arabic references first followed by the foreign ones.
2. The American accredited citation style APA (last Edition) should be adopted in documenting electronic references. Website Address alongside with the scientific material's date of downloading, and name of author who owns the electronic copyrights should be mentioned.
3. References should be listed in the bibliography list in an alphabetical order, with the first name of the author in Arabic References and the Family title in foreign ones.

Refereeing Process:

Papers submitted for publication are refereed by accredited referees. The following are the yardsticks of refereeing:

1. Scientific value of the paper.
2. Novelty and authenticity.
3. Suitability of the theory framework.
4. Suitability of research method.
5. Suitability of research tools used.
6. Accuracy and clear interpretation of results
7. Scientific integrity.
8. Authenticity and variety of references.
9. Style and language.
10. Practical significance of recommendations.
